

# Good Fences Make Good Neighbours ... Robert Frost

## Great Fences Require –

### **Precise Preparation**

Properly surveyed, properly aligned and firmly set posts mean that your fence will withstand nature's worst, and look great at the same time. Dr. Post works with you to choose the best design, the proper materials and the ideal construction. Our fences are made to last, and to provide privacy and beauty, year after year.

### **Attention to Detail**

At Dr. Post, we make sure that every detail is considered when we build your fence or deck. The right material and style, the perfect layout to match your home and yard, right down to the proper fasteners and finishes. We provide post-completion follow ups for all of our projects, to make sure that every specification has been precisely adhered to.

### **Customer Care – Choice & Flexibility**

Your choice of design is virtually unlimited. Dr. Post will work with you to select the perfect design for you. We work around your schedule, to make sure that the job gets done when you want it done. Whether you are looking for a basic board fence, a contemporary pvc system, a deck-and-fence combination, or even a rural pasture fence, we bring Dr. Post's reputation for quality and customer care to every job. We guarantee it!

### **Satisfied Clients**

*"He helped me out big time. Basically, he came to my rescue. He's efficient. He's quick. He's flexible. He did a really good job."* Mandy T.

*"Unbelievable service. He ordered all the wood, coordinated the schedule, drilled the piles, did everything. He was very open, anytime I wanted him. He even came back afterward to check up on things."* Jordan
